The All Saints Community Contribution Award

1. Introduction

Over the years, we have all seen many individuals who have significantly contributed the community of All Saints Parish. The Parish Council of 2025/26 felt that a refreshing approach to acknowledging the unerring work undertaken by residents would be to present an annual award for “Community Contribution”. This would be awarded to an individual who had been nominated by their peers, the parishioners of All Saints.

2. Award Name

The Award will be called the “**All Saints Community Contribution Award**”.

3. Purpose

The Award is to recognise an individual who has actively carried out good deeds that have been beneficial to the All Saints community. This may be through, but not exclusively to, the organisation of community groups, selfless support to others, improving our environment or any other reason described during a nomination.

4. Timing and the Award Selection Process

1. **Timing**

For 2026 only:

- Nomination forms (paper and online) will be available from 1st March 2026, and parishioners will be asked to complete them by 30th April 2026.

Subsequent years:

- Each January, the Parish Council will request nominations for the Award from Parishioners of All Saints. Nomination forms (paper and online) will be available from January.
- The nomination form will allow individuals or groups to nominate a person and state why they feel that they should receive the award. The form will enable the nominator to detail the contributions made and the impact on the community.
- Nominations will close on March 31st each year.
- The Parish Council will review the nominations from April 1st and make their decision before May 1st.

2. Award Selection Process

The Parish Council will choose who they believe to be the most appropriate recipient(s) against a set of agreed criteria (Appendix A) and the statements on the nomination form (Appendix B).

.

5. The Award

The recipient will receive a certificate reflecting the contribution made, presented at either the Annual Parish Meeting or a suitable community event at the beginning of May.

A list of all recipients will be held on the Parish Council websites.

6. Conditions for Nomination

The individual must be a resident of All Saints Parish.

The nominations may come from individuals or groups who reside outside the parish.

The evidence given for nomination must be related to contributions to All Saints Parish.

7. Responsibilities

Parish Clerk to communicate the need for nominations in January of each Year, via the parish magazine, social media and Council websites.

Parish Clerk to collate the nominations on April 1st of each year.

Parish Councillors to review nomination during April of each year and decide on the recipient by 30th April each year. The process for decision making will be by consideration of the nominations against the criteria in Appendix A.

8. Funding

The cost will be borne from the Parish Council funds.
